That's how much I love this book.0 of 0 people found the following review helpful. Great book!By LindaGreat book! Fun to color!

This book is filled with page after page of holiday spirit for children and adults! Black backgrounds are extremely forgiving and perfect for very young children who will experience the pure joy of having even scribbles look good. There are gift tags and cards to color in this book. Something for everyone and bonus pages in the back. Pages are

single sided and the paper is great for colored pencils!
