There are some detailed and not as detailed pictures which leaves you with a great variety! At the back of the book there are pages you can color and send out as cards. 0 of 0 people found the following review helpful. Awesome By JKI love this book. So many cute fun pictures. It's a think book and definitely worth the price. Great for kids or adults. 0 of 0 people found the following review helpful. Whimsical Wonderful By Kat Suydam D. McDonald's Line Art is Whimsical Wonderful, I proudly own/color-in All he Books!

The perfect thing to get your holidays rolling. This book is filled with the spirit of the season. Created for young and old to enjoy. It is an adult coloring book as well as a children's coloring book. Framed many of these images would make wonderful gifts. Perfect to use for a coloring party and to color as one counts down the days to Christmas! Single sided pages and a huge book!

About the Author Deborah L. McDonald enjoys creating coloring books for young and old, but Christmas is her passion! She was known when her daughters were young to begin decorating right after Halloween! She is a former teacher of regular education students and wonderful special education students who had extreme behavior problems until she gave them the gift of coloring and something they could not only do, but do well!!! She believes we all need to sit down and color more!
