alex Lucas : Days of our Glory before purchasing it in order to gage whether or not it would be worth my time, and all praised Days of our Glory:

1 of 1 people found the following review helpful. JD SalingerBy ShakespeareJ.D. Salinger is rolling over in his grave jealous of this book by a first time writer who captures the era so vividly. A true page turner.0 of 0 people found the following review helpful. Spare and lean. Like an original '32.By charles swesnonSpare and lean. Like an original '32.

In 1955, Chevrolet came out with the Super Stock, able to challenge any Hot Rod at traffic lights and drag strips. There were 5200 Chevy dealers, selling these cars to the public for +/- \$2500.00. This became an aftershock of the Industrial Revolution.

About the Author Alex Lucas grew up in Southern California, graduating from Beverly Hills High School in 1958. He was in Television Production, as well as a Broker on Wall Street. He currently lives in New York, having spent 10 years in Africa, with his 16 year old son.
