4 of 4 people found the following review helpful. Very standard journalBy StephanieThis wasn't what I expected at all. It is simply an empty lined journal. Each page says "Dear Daughter" at the top and there is no other prompting or questions. Yes, you could add photos and memories, but there is no prompting for such.

Dear Daughter is a scrapbook Journal for you to fill for your daughterCelebrate your memoriesPlace photos of your

daughter and write about them.
