**Debbie Mumm : Debbie Mumm's Fresh Cuts (Leisure Arts #5114): Fun Quilt Techniques and Color Concepts** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Debbie Mumm's Fresh Cuts (Leisure Arts #5114): Fun Quilt Techniques and Color Concepts:

0 of 0 people found the following review helpful. Four Stars By 7511 lavista Ok purchase. 0 of 0 people found the following review helpful. Looking forward !!! By PA7267I am an avid quilter. Spend most of my time at the machine quilting away. Found the book at my local library and wanted it for my own. Haven't had a chance to make a quilt from it yet but looking forward to putting some of those great patterns together. 0 of 0 people found the following review helpful. Love Debbie Mumm's books By Helen Murchie This book has some great fun quilts. I made the owl quilt and no time at all. Debbie's instructions and colours are always clear and easy to follow. Any quilter and any

level should be able to use this book.

Fresh Cuts is an exploration of techniques, colors, and concepts for today's quilter by noted author and designer Debbie Mumm. This book features 25 handsome quilts and sewing/crafting projects for beginning to advanced quilters. There are lap quilts, pillows, table quilts and runners, wall quilts, a door banner, and a tote in a wide variety of techniques and color combinations. The Specialty Cuts chapter teaches how to take advantage of fabric cuts such as jelly rolls, fat quarters, charm packs, and layer cakes. Fun Techniques explores paper-piecing, working with circles, strip-piecing, and quilting options. Color Concepts provides tips on using colors, texture, and prints in sewing projects; quilting projects demonstrate color choices for contemporary, traditional, or country looks and how to mix and match fabric. The Appliqu and Embellishments chapter explores fresh and fun designs, application methods, and embellishment options.
