If you want to decorate with dried flowers and how to dry them, then it might be your cup of tea. I shoved it in a closet somewhere....1 of 1 people found the following review helpful. Old ideasBy PakNice picture book. Not so good if looking for new ideas instructions.3 of 3 people found the following review helpful. Highy PleasedBy NikiI am very pleased with the content of this book. Inside you will find great instruction, very seducing pictures of a number of assorted flowers and styles. There are inspirations for dried flowers and silk flowers which of course can cross over into the realm of the fresh and live flowers. Any florist and even those just interested in floral arrangement will absolutely love this book. Highly recommended.

-- Demonstrates 80 arrangements using floral materials of all kinds.-- Includes projects for traditional, contemporary

and country decors.
