The instructions are detailed and easy to follow with the pictures in various stages to show progress. It also shows the patterns with each project.

The projects use conventional bead-weaving techniques and all are fully charted, with detailed instructions....a delightful and unique addition to bead craft books in public libraries. Library Journal. Twenty-three threaded designsearrings, scissors case, thimble and scarf holders will empower even those without the eye for a needle to stitch merrily away; its truly any novices choice of elegant beadwares.
