I thought I was purchasing a book that would show me how to make beautiful wreaths and garlands, and what I got was something that is more for children's crafts. I really don't need to know how to make a wreath out of cardboard and macaroni; I learned that in kindergarten. I ended up giving this book away in a garage sale...1 of 1 people found the following review helpful. lovely bookBy topbookFor anyone interested in creating wreaths and garlands to add a touch of color and individuality to their home, here are some inspiring ideas. With a blend of practical advice and innovative suggestions, it shows how to embellish a dinner party table with fragrant flowers, create an eye catching floral curtain tieback, adorn a celebration cake with fruit or flowers, make stunning harvest thanksgiving garlands from corncoobs or autumnal leaves, and so much more.0 of 0 people found the following review helpful.
