**Pace Lisa M : Delight in the Seasons: Crafting a Year of Memorable Holidays and Celebrations** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Delight in the Seasons: Crafting a Year of Memorable Holidays and Celebrations:

2 of 2 people found the following review helpful. Delight in the Seasons Craft Book By Aegean Princess Ok book. Arrived fast and nicely packaged. The projects are good but they are geared towards making projects from scratch (pencil, scissors) and I wanted something that used rubber stamps and dies. I guess I can use it for ideas but it is more profitable to find videos on the internet. This book was not for me. But if you are into simple craft projects, you may want to purchase it. Here are some pics to provoke your curiosity: 1 of 1 people found the following review helpful. Delight in the Seasons By Kay R. This reminds me of the beginning journey to assemblage. This is designer assemblage.

Still a little to careful and very pretty. There is not the abstract or of grunge here. This is Paris vintage with country cottage. I am beginning to love the abstract and the grunge and the primitive. Because I just love it all! Kay3 of 3 people found the following review helpful. Delightful! By Annamarie Lubow I purchased this as a e-book but liked it so much I purchased it again as a soft cover book. I truly enjoy all the photographs of projects and the instructions are quite easy to follow. Vintage style is my thing so going through all of Lisa's projects gives me inspiration for my own projects.

Make each season delightful! Lisa Pace is at it again, this time with projects and techniques that will have you celebrating the seasons in style! Let Lisa and her pretty vintage style inspire you with techniques that will expand your perceptions of what papercrafting can be. You'll create beautiful projects and embellishments using a wide variety of both everyday and unexpected materials, while paying homage to your fondest memories of Christmas, summer vacation, Halloween and more. In *Delight in the Seasons* you'll find: 40 step-by-step techniques, to be used as demonstrated or adapted to meet your style and needs. 20 gallery pieces that combine multiple techniques into entirely new and charming projects. A delightful variety of sample projects including home, seasonal and party decor, greeting cards, ornaments, scrapbook layouts and more. Endless inspiration as Lisa shares the memories and moments that inspired each project. So gather your supplies, add a dash of inspiration (and maybe some glitter) and delight in the seasons with Lisa Pace!

"...if you love heavily detailed, technique-heavy vintage projects, this book will give you plenty to love!" --Scrapbook Update "...let Lisa inspire you from cover to cover to make your next papercrafting project a treasure you will cherish. As a companion, pick up Lisa's first book, *Delight in the Details*. These two books are sure to become staples on your papercrafting inspiration bookshelf!" --Tammy Graves, for Jenni Bowlin Studio Inspiration Blog "You will love *Delight in the Seasons*! Lisa shares her pretty, vintage, glittery style, and demonstrates 40 great techniques on projects perfectly suited for all seasons of the year." --Little Yellow Bicycle
