Elly Sienkiewicz : Design a Baltimore Album Quilt!: A Teach-Yourself Course in Sets and Borders before purchasing it in order to gage whether or not it would be worth my time, and all praised Design a Baltimore Album Quilt!: A Teach-Yourself Course in Sets and Borders:

5 of 5 people found the following review helpful. Good planning resourceBy mbrittonThis book enables you to plan the most pleasing or balanced placement of your Baltimore Album blocks and suggests plans for the quilt border. There are worksheets and layout guidelines to enable you to do a paste-up. There are about 14 planning lessons with suggested exercises to teach you about the layout plans. This is a good resource with insights into the settings of other album quilts. The only disappointing thing was the lack of border patterns. There are very few patterns included with this book.1 of 1 people found the following review helpful. Five StarsBy KCExcellent specialty book on Baltimore Album quilts. - one of a series. Excellent transaction, as advertised.0 of 0 people found the following review helpful. Great!By Kindle CustomerWow! This was a gift for Christmas and it was a great success!
