**Katie Pasquini Masopust : Design Explorations for the Creative Quilter: Easy-to-Follow Lessons for Dynamic Art Quilts** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Design Explorations for the Creative Quilter: Easy-to-Follow Lessons for Dynamic Art Quilts:

0 of 0 people found the following review helpful. Helps to Design A Quilt Artistically By Anna Mae Miller So many good ideas to help my creative juices get flowing. Am still working on lessons. Took Katie's Color Workshop and can't wait to get started on an Artful Log Cabin Quilt. Anna Mae Miller, Kalamazoo, MI 2 of 2 people found the following review helpful. Informative and fun! By Terri Stegmiller Besides the wonderful quilt samples by both the author and other artists, the book gives great information on basic art concepts. Katie shares some fun techniques for

creating abstract paintings. She then shares how she crops and creates fabulous, colorful quilts from these paintings. Creating quilts from photos is also covered. Katie shows how you can crop your photos, create a quilt pattern, add new design lines, and how to choose fabric colors for your quilt. I think the information in this book is well written and presented, and beginning artists as well as those more experienced will find it a good choice for their art quilt/design library. 9 of 9 people found the following review helpful. Disappointed - blackwhite NOT color By Consumer I must have missed the part where it states this book is in blackwhite. Very difficult to read about color theory and no enjoyment as when looking at other quilting books. Want my money back.

Bring out your inner artist-explore 10 approaches to designing art quilts. Techniques work for everyone, beginner or advanced.

Katie's exercises in mastering the basic elements and principals of art to create a successful composition will start you off on your fabric art journey, armed with the information and skills you will need. Her approach to design is well explained and illustrated and she includes her methods of sewing and finishing your quilts after the design stage has been completed. (Machine Quilting, 9/1/10) About the Author Katie Masopust is an award-winning quilter and renowned quilting teacher.
