Matthew Bushey : Design Star: Lessons from the New York School of Flower Design before purchasing it in order to gage whether or not it would be worth my time, and all praised Design Star: Lessons from the New York School of Flower Design:

8 of 8 people found the following review helpful. More detailBy NonaI thought there would be more design detail. I did get some good tips. But this book is more for someone looking to go into the business big time. Not for the average person to do a little flower arranging.8 of 8 people found the following review helpful. Gives away secrets AND QUALITY PHOTOS!By SunshineI love his youtube videos. This book is worth it's weight in gold, given the valuable secret tips AND the awesome photos! The cost alone for the large color print and large print is worth it!0 of 0 people found the following review helpful. Five StarsBy BarbiselGreat guide for floral designers. Love this book!
