It takes me through how to build cards step by step. It includes instructions and great photos. Excellent book for the beginner/0 of 0 people found the

following review helpful. OkBy Janne HerfurthI never looked to see what was actually in the book before I bought it. I mistakenly thought it was only about quilling, and that is not the case. The book is OK, and in great condition, but not exactly what I wanted.

With an amazing skill for simple, beautiful, and exquisite designs, paper craft and quilling expert Claire Sunok Choi offers 60 beautiful card designs that you can make yourself. Each project has detailed step-by-step instructions and photos to ensure complete success.

About the AuthorClaire, named Sunok Choi in Korean, was born in South Korea. She worked as a quilling paper craft instructor at Hyundai Culture Center and the Education Center for the Quilling Paper Craft Association for five years in Korea. In 2000, she had her first solo exhibition at Insadong Gallery in Seoul entitled, "Paper Wanting to be Flower," and was invited by Ferry Building Gallery to a group exhibition held at Vancouver, Canada, in 2002. She is currently living and studying in Vancouver, Canada. she has tried to devote herself to the creation of quilling paper crafts and card design since 2000. Now, she is preparing for solo exhibits in New York and London.
