Noel Bennett : Designing with the Wool Advanced Techniques in Navajo Weaving (Advanced Techniques In Navajo Weaving) before purchasing it in order to gage whether or not it would be worth my time, and all praised Designing with the Wool Advanced Techniques in Navajo Weaving (Advanced Techniques In Navajo Weaving):

1 of 1 people found the following review helpful. for advanced weaversBy LynneThis book is for weavers who have woven more than one project. It is well written and has excellent content for more advanced weavers. A lovely addition to your weaving collection.

Designing with the Wool Advanced Techniques in Navajo Weaving (Advanced Techniques In Navajo Weaving) is a great book for a novice or subject matter expert in weaving, providing many techniques. Conservatively graded. Great find. Please see picture of book.
