Thank you for the great condition and speedy shipping!0 of 0 people found the following review helpful. YawnBy JanWI bought this because all the reviews said it was packed with ideas....not just for scrapbookers....great for Mixed Media. Ummmm.....it isn't. It's just another scrapbookers book, and not a very good one at that.0 of 0 people found the following review helpful. creative approachBy Albert Lowhimliked the approach to the subject of design with words. The creative approach and how to work with the subject

Give your projects literary flair with the gift of words. This book explores novel ways to add impact by using precisely chosen words on projects ranging from candles and cards to altered clocks and books. You'll no doubt want to spread

the word that Designing With Words is a fun, resourceful guide to expressing yourself on your crafts and memory books.
