Kristen L. Geaman : Dick Grayson, Boy Wonder: Scholars and Creators on 75 Years of Robin, Nightwing and Batman before purchasing it in order to gauge whether or not it would be worth my time, and all praised Dick Grayson, Boy Wonder: Scholars and Creators on 75 Years of Robin, Nightwing and Batman:

2 of 2 people found the following review helpful. and easy to read By Gilda Felt There was a decades long gap in my

comic book reading, so, as a longtime Dick Grayson fan, I was thrilled to find this book. Informative, and easy to read, it caught me up on all the years I missed. Especially with the recent changes to the DC Universe, it was great to relive the stories when Dick was still a part of the Batfamily. Will he be again? I certainly hope so, because I can't imagine Bruce Wayne's life without him. But not just his place in the Batfamily was explored. His connections to all the other DC heroes, some of them I knew well, others hardly at all, were scrutinized, rounding out his life and legend. If you have any interest at all in the original Robin, this is the book for you. 4 of 4 people found the following review helpful. ... detailed and in depth look at one of the best comic book characters ever made as well as showing ... By Michael I very detailed and in depth look at one of the best comic book characters ever made as well as showing the impact made in people's lives. A must own! 2 of 2 people found the following review helpful. Five Stars By Ryan Eidson Excellent collection of essays. These people really love Dick!

Dick Grayson--alter-ego of the original Robin of Batman comics--has gone through various changes in his 75 years as a superhero but has remained the optimistic, humorous character readers first embraced in 1940. Predating Green Lantern and Wonder Woman, he is one of DC Comics' oldest heroes and retains a large and loyal fanbase. The first scholarly work to focus exclusively on the Boy Wonder, this collection of new essays features critical analysis, as well as interviews with some of the biggest names to study Dick Grayson, including Chuck Dixon, Devin Grayson and Marv Wolfman. The contributors discuss his vital place in the Batman saga, his growth and development into an independent hero, Nightwing, and the many storyline connections which put him at the center of the DC Universe. His character is explored in the contexts of feminism, trauma, friendship, and masculinity.

About the Author Kristen L. Geaman is a lecturer in medieval history at the University of Toledo. She has published articles on medieval England in *The English Historical and Social History of Medicine*.
