Inca Starzinsky, Ruth Williams : DIY Board Games before purchasing it in order to gauge whether or not it would be worth my time, and all praised DIY Board Games:

DIY Board Games allows kids to create beautiful games for the whole family to play. With five games in one: snakes and ladders (like chutes and ladders but with snakes!), ludo (also known as Parcheesi), checkers, backgammon, and the great game of the goose, it is jam-packed with creative activities and will keep children occupied for hours on end. The box contains boards and counters to color in, pieces to assemble, wooden dice, and stickers galore. It also includes a booklet with the rules, containing some handy hints on how best to color and customize each game.
