To be able to make an arrangement and display that in your home or wherever is such a loving experience for them to be able to share something they have done them selves with others. Good on you your book is vibrant fun, well written and displayed a must.1 of 1 people found the following review helpful. Great for school holidaysBy JayWas perfect for the school holidays, I sourced many of the flowers from the garden. The kids had so much fun. I recommended it to all my friends.

Enjoy Designer Recipe Floral Arrangements without the designer floral price tag.Children will love recreating these flower recipes as they will keep them entertained for hours as well as making fantastic holiday projects and gifts. This eBook is the First in a 7 part series in the DIY Flower Arranging for Kids Series. The unique coming together of

everyday items from your pantry and fridge as well as the garden will teach your children how to be creatively resourceful. Whilst keeping craft budgets to a minimum. Free Video Tutorial Series included with this eBook.

About the Author With 14 years floral experience, Mercedes Sarmini has taken the Floral Arranging Industry by storm. She is the proud owner of a thriving Sydney Floral Boutique as well as the Founder of Flowers by Mercedes-A Worldwide Floral Training Academy. At the young age of 10, Mercedes' entrepreneurial talents were activated by the beauty she saw in flowers and floral arranging. It was at this tender age that she began creating a small income at the markets, from her love of the colours, shapes and fragrance of cut flowers. Mercedes Sarmini is a Pioneer in the Floral Arranging for Kids market. As a qualified childcare Assistant and with her knowledge of floristry, Mercedes has been able to combine the two industries together and deliver floral arranging for Kids in the form of workshops and an educational (yet fun) eBook series. "So what are you waiting for? Isn't it time you got Floral?"- Mercedes Sarmini
