Mercedes Sarmini : DIY Flower Arranging for Kids:Book 2 (Volume 2) before purchasing it in order to gauge whether or not it would be worth my time, and all praised DIY Flower Arranging for Kids:Book 2 (Volume 2):

Help the creative spirit in your child blossom with this easy and fun flower arranging book. This Book is the Second in the DIY Flower Arranging for Kids Series. The unique coming together of everyday items from your pantry and fridge as well as the garden will teach your children how to be creatively resourceful. Whilst keeping craft budgets to a minimum. This Book has 10 unique floral recipes that can be enjoyed by children aged 3-12. Even parents will enjoy these craft activities as they will surprisingly bring out the kid in you!
