**Joan Hinds : Doll Clothes for Everyday Play: 6 Outfits for the 18-Inch Doll** before purchasing it in order to gage whether or not it would be worth my time, and all praised Doll Clothes for Everyday Play: 6 Outfits for the 18-Inch Doll:

2 of 2 people found the following review helpful. Fun PatternsBy C. BrownLove Joan Hinds books. I have made about 7 outfits and have had a great time using her patterns. There is one mistake with the long sleeve polo. The sleeve pattern does not instruct you to cut the sleeve on the fold. If you don't do this, you will have four separate pieces instead of two sleeves. The four pieces will not fit if you try sewing them back together. I think a little sewing experience is needed for some of the patterns, but new sewers can use this book and make fabulous clothes. It's lots of fun creating these doll clothes.10 of 11 people found the following review helpful. doll patternsBy FyfeeI like her style of patterns...easy to sew. She included a couple of accessories that the little girls in my life like. I just got this one, so I haven't made anything yet. It's a small book with little variety, but I knew that when I pre ordered it. I have other books of hers that make a better variety. There are some errors in the patterns. some of them do not say to cut on the

fold, which would leave a garment that does not fit the dolls, so use some reason when cutting them out. One pattern is to be taped to another part before cutting out. The number of the pattern piece is wrong. 3 of 3 people found the following review helpful. Good book for those starting to sew for dolls By Ida's Girl This is a nice collection of patterns for someone starting out on sewing for 18 inch dolls. The basic patterns are easy to adapt to suit your personal taste. And, the accessories add a special touch to the outfits. The sewing directions are clear and well suited to sewing for dolls. Joan Hinds has published a number of books, so if you like this one, take a look at her others.

Everything little girls and their dolls need for an entire day of play! 6 complete outfits, from costumes to pajamas. Lots of bonus accessories included. Clean, concise instructions accompanied by full-color photos and illustrations.
