Joan Hinds : Doll Fashion Studio: Sew 20 Seasonal Outfits for Your 18-Inch Doll before purchasing it in order to gauge whether or not it would be worth my time, and all praised Doll Fashion Studio: Sew 20 Seasonal Outfits for Your 18-Inch Doll:

2 of 2 people found the following review helpful. Beautifully Illustrated and Easy Flat Construction! By Beth These patterns are so cute and thoughtfully designed. I watched the episodes with Joan Hinds on "Sewing with Nancy" and could not wait to order this book and patterns. I love the seasonal patterns and the little extra accessories patterns that were a surprise. What a bonus! My girls are all grown up, so I will make them for my friend's children and for my charities. Fabric scraps and remnants are all that are necessary to use, so it will be a help to me to use my scraps and at the same time make some little girls very happy. I bought this for the cheerleader uniform and found that I loved getting things like the sleeping bag and graduation gown and the list goes on. I am so happy with the book. I will be buying more Joan Hinds project books, I just love them! Thanks Joan and Nancy! 4 of 4 people found the following

review helpful. One of my favorite sources for 18" doll clothing patterns! Joan Hinds is wonderful! By Jane Wilkes I love all of Joan Hinds pattern books for dolls, but this may be my favorite. Just finished another dress using one of these patterns tonight! I sew American Girl doll clothes as a small side business, so I test a lot of patterns. Most of them require adjustment, but these are excellent! I particularly like the dresses, the fit is superb, styles are current and the instructions are clear. Yes, it's a pain to photocopy the patterns, my suggestion is just to copy them all right from the start so this won't slow you down when you want to sew. 9 of 9 people found the following review helpful. Great book By B. B. I love this book. I make doll clothes all year to donate, and I have all Joan Hinds books. I am happy with all of them but the thing I like the most about this one is that there are a lot of dresses. Also, there are lots of ways to vary the designs. The styles are very up to date, and really cute.

Make adorable outfits for an entire year of fun adventures and special occasions! 20 fully illustrated seasonal outfits with easy-to-follow instructions. 3 pattern sheets featuring 100 full-size patterns. Bonus! 8 simple accessory projects for young beginners. Tips from the author for making simple pattern alterations.

About the Author Joan Hinds, owner of Fancywork and Fashion (www.fancyworkandfashion.com), co-authored seven doll costume pattern books and is the author of *All Dolled Up*. She teaches needlework and sewing around the country, and has appeared on Sue Hausmann's PBS series.
