Smithi have loved this book for many years so was very pleased to have been able to purchase this copy.the book arrived in good second hand condition as was stated and well packaged., it has beautiful dollsto make to keep for yourself or as gifts.0 of 0 people found the following review helpful. I like these little dollsBy Jane KingI like these little dolls. I like the full size patterns. Some things are a bit hard to understand. The writing is over the pattern lines and rather small print. But the dolls are cute. I would like the doll head directions to be a bit clearer.1 of 1 people found the following review helpful. Interesting Dolls TechnicBy GuisellThis book is very good for begginers in dollmaking , this technic is not nown by me and I ws ainterested to learn, the author explain everything very nicely, I just love it

Provides diagrams and instructions for creating a variety of dolls, including clowns, twins, grandmothers, chorus groups, and storybook characters
