**Beauregard Houston-Montgomery : Dollhouse Living** before purchasing it in order to gage whether or not it would be worth my time, and all praised Dollhouse Living:

0 of 0 people found the following review helpful. Not happy JanBy mahesha dan philpotI'm glad I didn't pay a lot for this 'book' Not a good book for miniature house collectors3 of 4 people found the following review helpful. Best book I've ever read!By Marc StutmanThe photography is aweome, very artistic and beautiful. The writing kept me flipping the pages, the wit is fabulous! Dollhouse Living is one of the most interesting and captivating books I have ever read. I look forward to more books from Beauregard Houston-Montgomery in the future. Bravo to a great book!Kyle Bradford2 of 3 people found the following review helpful. Unique as Beauregard himselfBy A CustomerAn amazing book set up to reflect the era itself. A true collectors collectible. Beautifully produced photographs that a doll house lover can truly appreciate along with the writer's own first-hand impressions and thoughts. A must have!

Part autobiography, part collector's guide, the true life confessions of a dollhouse obsessive.

"His courage and audacity (not to mention the astonishing photographs) leave me breathless." -- John Darcy Noble, Curator Emeritus, The Toy Collection of the Museum of the City of New York  
"Welcome to the dollhouse! Beauregard Houston-Montgomery's treasure trove of toy memories reaches a nirvana of Americana." -- Michael Musto, columnist, Village Voice  
About the Author
