for you to draw your take on 20 Ways to Draw a Cat. This is not a step-by-step technique book--rather, the stylized animals are simplified, modernized, and reduced to the most basic elements, showing you how simple abstract shapes and forms meld to create the building blocks of any item that you want to draw. Each of the 20 interpretations provides a different, interesting approach to drawing a single item, providing loads of inspiration for your own drawing. Presented in the authors uniquely creative style, this engaging and motivational practice book provides a new take on the world of sketching, doodling, and designing.
