Frederik L. Schodt : Dreamland Japan: Writings on Modern Manga before purchasing it in order to gauge whether or not it would be worth my time, and all praised Dreamland Japan: Writings on Modern Manga:

This landmark book, first published at the height of the manga boom, is offered in a hardcover collector's edition with a new foreword and afterword. Frederik L. Schodt looks at the classic publications and artists who created modern

manga, including the magazines *Big Comics* and *Morning*, and artists like Suehiro Maruo and Shigeru Mizuki; an entire chapter is devoted to Osamu Tezuka. The new afterword shows how manga have evolved in the past decade to transform global visual culture. Frederik L. Schodt, based in San Francisco, is fluent in Japanese and author of many works about Japan.
