**Dawn Cusick : Dried Flower Crafts: Capturing The Best Of Your Garden To Decorate Your Home** before purchasing it in order to gage whether or not it would be worth my time, and all praised Dried Flower Crafts: Capturing The Best Of Your Garden To Decorate Your Home:

"...attractive projects for dried flowers, together with easy-to-create designs...outlines in delicately colored illustrations show step-by-step techniques and procedures. A color photograph accompanies each completed wreath, centerpiece,

topiary, garland, and gift item....Many easy designs...along with more interesting and complex--although not very difficult--swags and container arrangements."--Booklist.
