Nick Snels : Easter Coloring Book 1 (Volume 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised Easter Coloring Book 1 (Volume 1):

A wonderful book for children to explore their imagination and be creative. This book contains a delightful array of bouncing Easter bunnies, egg-citing Easter eggs and cute and cuddly baby chicks! Art is like a rainbow ... never-ending and brightly colored. Feed your creative mind and have fun! Each picture is printed on its own 8.5 x 11 inch page so no need to worry about smudging.
