Prolific designer Doreen L. Marquart presents an outstanding new collection of knitted baby patterns. With Doreen's stylish designs, knitting for Baby just got a lot more fun! Stitch everything from a boy's hat and bomber-style jacket to an heirloom christening gown, blankets, booties, mittens, pullovers, cardigans, and Baby's first Christmas stocking. Choose from more than 14 adorable designs in sizes from newborn to 24 months. Create small, quick-to-knit projects that are terrific for a baby shower or last-minute gift.

Marquart presents a collection of 14 projects for babies in this sequel to 2011's Grammy's Favorite Knits for Baby. Like its predecessor, *Easy Knitting [for Baby]* aims for the knitting-grandmother demographic, ever-ready to shower new family members with knitted love. Wrap that cherished grandbaby in the hexagonal Garden Blanket; keep toes and ears warm with booties and caps; nestle a wee one in a sleep sack with optional car-seat buckle opening. Marquart remembers all the special occasions that fill Nana's scrapbook: a lacy gown and cap for baby's baptism and a cheerful stocking for the holiday season. Clear photographs and good-sized type make patterns easy to read, while DK- and worsted-weight yarns will speed knitting along. --Yarn Market News Magazine, January 2014

About the Author
Doreen L. Marquart taught herself to knit at the age of nine and has been knitting ever since. In 1993, she opened Needles 'n Pins Yarn Shoppe, which is now the largest shop in her area devoted exclusively to the needs of knitters and crocheters. With well over 40,000 skeins of yarn in stock, fiberaholics drive from hours away to have her "feed their addiction" and to receive help with their knitting/crocheting projects. Doreen earned the title of Master Knitter through the Knitting Guild of America in 1998, Canadian Master Knitter in 2001, and Master Canadian Designer in 2002. She is also a Certified knitting and crocheting instructor through the Yarn Council of America.
