**Jeff Wilson : Easy Model Railroad Scenery Projects (Model Railroad Scenery Series)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Easy Model Railroad Scenery Projects (Model Railroad Scenery Series):

0 of 0 people found the following review helpful. Useful scenery IdeasBy Old TimThis book had many good how to articles along with some odd ones but all interesting.0 of 0 people found the following review helpful. Scenery techniques new and oldBy Philip LebowMore from the great Kalmbach model railroading publisher.Collected information on different scenery techniques.Aimed at the beginner, but with newer styles useful to advanced modelers.0 of 0 people found the following review helpful. Five StarsBy Herman GottfriedVery helpful and easy to understand.

This project-oriented book covers all areas of building model railroad scenery, including landforms, terrain, water, rockwork, trees, and more. The book's step-by-step photos and instructions make it easy for modelers to learn how to create realistic scenes.
