Jodie Davis : Easy-To-Make Fairy Tale Dolls All the Trimmings (Easy-to-Make Craft Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Easy-To-Make Fairy Tale Dolls All the Trimmings (Easy-to-Make Craft Series):

0 of 0 people found the following review helpful. Easy to Make Fairy Tale Dolls All the Trimmings By SunnyGreat book! Patterns for all kinds of cloth dolls. Instructions to make all the trimmings, accessories, and many extras for each doll. The title says it all in "All the trimmings"! The pattern pieces look quite simple, but the instructions are very detailed, and show how intricate each doll can really be. There are instructions for many different (and fabulous!) hairstyles. All instructions are accompanied by really good illustrations, and the book uses larger than usual print, making it easy to read. This is a really good book, and all the dolls are so charming! 0 of 0 people found the following review helpful. Disappointing book By Helen E Stout Very disappointed in this book. The images are all black and white and geared to kids crafts, rather than high quality doll making. I am going to return this product. 2 of 2 people found the following review helpful. fairy tales and dolls By Natasha I love making dolls, and especially love making them with wardrobes and all that. This book was fun to use, thorough, and detailed. Sadly, though, I found the dolls to be a tad bit creepy even after making minor changes to the patterns. But that's just me. The little girls I gave the dolls to were thrilled and still play with them. The Easy-to-Make series is wonderful, but I like the others better. It is great to

have in the collection, though!

Create a fairyland of lovable dolls--each with an enchanting costume--to warm the hearts of children and cloth doll fanciers alike. Jodie Davis' full-sized patterns and simple directions show even beginning craftspeople how easy it is to sew Goldilocks, Cinderella, Hansel Gretel, the Little Mermaid, Humpty Dumpty, and other memorable fairy tale and nursery rhyme characters.
