Faith H.I saw this after learning my granddaughter loves elephants. So, I decided to make it as a gift for her college graduation.0 of 0 people found the following review helpful. Great pattern and beautiful when completed but beware of this ...By LizaThe problem with this pattern is it is actually a 180 degree change from the photo on the front. The elephant faces left, not right. Great pattern and beautiful when completed but beware of this change from what is photographed on the cover.

Stitch a scrap-friendly quilt and pillow inspired by Jennifer Sampou's travels to Thailand. Pair paper-pieced and applique motifs with a background of easy-to-sew strips. Gender-neutral and customizable, this artistically modern design is a definite showpiece. The full-size pattern includes complete instructions to make a quilt and a matching pillow. Proceeds from the sale of this pattern will be donated to Elephant Nature Park in Thailand whose mission is to provide a rescue and rehabilitation center for elephants.
