Elly Sienkiewicz : Elly Sienkiewicz Applique Paper Greetings before purchasing it in order to gage whether or not it would be worth my time, and all praised Elly Sienkiewicz Applique Paper Greetings:

The use of modern technology makes an inspiring connection between cloth and paper. Ahead of her time, this innovative artist was on the forefront of scrapbooking with her bestselling book Applique Paper Greetings. In this updated version, you can explore the joys of an artful memorabilia presentation. Elly describes scrapbooking as 'artistic sensibility intertwined with sentiment.' In eight sequential lessons, this renowned author and authority teaches card making for any occasion, from simple cut-out designs to more complex pop-ups, colorful mobiles, and banners. Ribbon flowers and other embellishments are offered, as well as TechnoFancies, which are cards decorated by the sewing machine. Easy-to-use, readily available, fusible web bonding is the main supply for binding fabric to paper to

create these customary and delightful greetings. Stitchers and cutters, quilters and card makers become kindred spirits in this delightful mix of media.

Combine your love for quilting and card making to create one-of-a-kind artistic greetings. After learning the basics, you'll quickly progress to making intricate cards with lovely dimensional accents, cutouts, pop-ups, banners, embellishments, and more. A must-have title for quilters who enjoy scrapbooking. -Quilts with Style, July/August 2005
