Norma Vargas : Embellished Memories before purchasing it in order to gage whether or not it would be worth my time, and all praised Embellished Memories:

0 of 0 people found the following review helpful. Take The Old and Make It Fantastically New!By Catherine AliffThis book is not like all the others. It encourages readers in an easy to understand and detailed manner how to take vintage and everyday items and make them into beautiful works of art that even includes your most treasured possessions - friends and family!I've read hundreds of home dec and craft books and this one is a stand out. Don't overlook it, you'll be sorry.0 of 0 people found the following review helpful. Love the book.By faye j munozLove the book. Have made many things from ideas in this book. Would recommend this book to anyone. Thank you.1 of 1 people found the following review helpful. Great framing ideasBy BarbaraLynWhat to do with a plain picture frame? Ever ask yourself that question? Or I have an old frame but want to spice it up? Another good question.EMBELLISHED MEMORIES will solve those problems. Ms. Vargas begins her book with five reasons to make a picture frame and then talks about four things that you can look for in a frame.There are 24 projects that step you through the process of creating the frame. Each has a materials list and then the step-by-step instructions for

putting to together. There is a color photo of the finished item, complete with a photo in it! A resources page will help you locate any of the materials you cannot find in your local area and there is a metric conversion chart from inches to millimeters and centimeters and yards to meters. Grab a copy and "get framing"!

Norma starts in her studio giving you advice on creative spaces, helping you find inspiration, and sharing how to gather supplies. Then she delves into the how-tos of creating her beautiful frame masterpieces. She will teach you how to display and create these exquisite framed memories for gift giving, personal enjoyment, or for adding a decorative touch. * Learn the basics of techniques like layering, crackle, antiquing, plaster, decoupage, and more * There s a theme for everyone, including Creating Memories, Country Charm, Baby Love, Nature s Treasures, Dreams Abroad, and A Little Bit of Heaven

About the Author Norma Rapko Vargas is the founder and owner of Frame Creations in Southern California. She is a talented faux paint artist and interior designer in Los Angeles for the homes of several film and television producers. This is her first book. Home: Santa Clarita, California
