**Gail Lawther : Embroidered Alphabets** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Embroidered Alphabets:

0 of 0 people found the following review helpful. One of my favorite embroidery booksBy Gerry MyersonGreat source of inspiration, with numerous examples. Also contains lots of useful technical information. Worth having a personal copy for reference.

A handbook of advice, ideas and information on operating embroidered alphabets which shows 12 complete designs which can be used and adapted.
