Erica Wilson : Erica Wilson's Needlepoint: Adapted from Objects in the Collections at the Metropolitan Museum of Art before purchasing it in order to gauge whether or not it would be worth my time, and all praised Erica Wilson's Needlepoint: Adapted from Objects in the Collections at the Metropolitan Museum of Art:

11 of 11 people found the following review helpful. Beautiful designs
By Drew Baker I particularly like this book because it happens to contain information about and illustrate a needlepoint I am working on. It is more useful than the instructions included with the Erica Wilson kit that I had purchased from the Met. There are many beautiful projects included in the book but I think it would take considerable skill and patience to copy the designs onto canvas. Even if you do not actually make anything from the book, it is an enjoyable read.
0 of 0 people found the following review helpful. lovely and useful
By Morwenna Beautifully illustrated, well charted, perfect instructions. I miss Erica.
0 of 0 people found the following review helpful. good charts, and clear directions
By Sandy Informative, good charts, and clear directions. The book is in good condition.

This volume of Erica Wilson's stunning needlework designs offers 17 new projects adapted from art and objects in the famed collections of the Metropolitan Museum of Art in New York, each presented in brilliant graphics and with easy-to-follow instructions. BOMC Selection. 60 illustrations, 48 in color. 18 charts; 20 stitch diagrams.
