I bought it in paperback to give as a gift. This is published by Revell, associated with Baker Books. I like the publicatiions a lot.Mary Mueller0 of 0 people found the following review helpful. A fun readBy KarenThis was a fun book with lots of great ideas for celebrating life. The included recipes sound yummy and most of the ideas seem simple yet special.2 of 2 people found the following review helpful. ExpectationsBy LMWIt wasn't what I expected. I thought it would have more ideas and maybe even pictures to see what it would be like

A fun and practical resource for women who want creative ideas and recipes to celebrate everything from Christmas and Thanksgiving to birthdays and life's milestones.

From the Back Cover Got a calendar packed with reasons to celebrate but a brain that lacks ideas? Special people you want to love on but limited time to do it? Relax. We've got you covered. Everyday Confetti is your go-to guide to making holidays, birthdays, special events, and even the everyday special. Inside you'll find more than two hundred ways to make memories with your family, including easy recipes, fun activities, and inexpensive decorating ideas--all simple, doable, and stress-free. "As much as I want to be an imaginative and spontaneous person, I'm much better at tackling a task than creatively coming up with ideas myself.
