S. Donald Stookey : Explorations in Glass: An Autobiography before purchasing it in order to gage whether or not it would be worth my time, and all praised Explorations in Glass: An Autobiography:

1 of 1 people found the following review helpful. Don't!By Jan VolavkaPoorly written, surprisingly overpriced

S. Donald Stookey tells of his pioneering discoveries and accomplishments over a life-long career at Corning Glass Works. His discoveries and inventions have left their mark in homes around the world, and have affected the

development of eyeglasses, defense systems, electronics, and significant discoveries for years. Learn how one man's risks, questions, interests, and explorations have benefited us all. A refreshing addition to your ceramics library!
