I'm looking forward to doing that with mine in a few months with this lovely book.0 of 0 people found the following review helpful. Boo to You !By NerrIf you are a Mary Engelbreit lover, you will LOVE this bookvery well done, great illustrations :)0 of 0 people found the following review helpful. Great Little BookBy Dorothy WalshThis was a great little Halloween Book. Perfect for bringing it out during the Halloween season. Lots of information on how traditions started. Great illustrations.

Halloween has always been a terrific source of inspiration for Mary Engelbreit. Going on outings to find that perfect pumpkin, making your own costumes, and eating crisp red apples and bags of candy corn, the images surrounding Halloween always give Mary the urge to draw. In Mary Engelbreit's Tiny Teeny Halloweeny Treasury, Mary gathers

all of her best Halloween art, a few scary (but not too scary) stories, some facts about the holiday itself, and some delicious recipes to create a wonderful keepsake book that can be brought out every Halloween! Inside the pages of this treasury, you'll learn the origin of Halloween, some pumpkin facts and a few silly jokes. Inside the front cover you'll find glow-in-the-dark endsheets - just expose the black pages to light then go into a dark room and watch as little ghosts begin to glow! Fans of all ages will enjoy this wonderful tribute to a beloved holiday.
