Victoria Lansford : Metal Techniques of Bronze Age Masters: All Chained Up before purchasing it in order to gauge whether or not it would be worth my time, and all praised Metal Techniques of Bronze Age Masters: All Chained Up:

1 of 1 people found the following review helpful. An excellent learning resourceBy Brutally Honest ReviewsThis is an absolutely excellent book on ancient techniques of making fine silver fused chains. I've taught multiple classes of students using this book and every single one of them has come through with flying colours, making beautiful chains. I've ordered many copies of this book to include with my classes and am regularly asked if I have more in stock!Highly recommended if you are interested in learning this ancient technique.3 of 3 people found the following review helpful. TechniquesBy pjI love to see the photos and examples of Victoria Lansford's work. She has a good eye for putting beautiful jewelry together. Needless to say, her books are fantastic for insight and inspiration. The projects are exceptional as well exhancing my "semi-acquired skill." - Always learning new things!!!! I love the fact that there are so many jewelry artist willing to share their expertise with others.1 of 1 people found the following review helpful. All Chained UPBy Rose LeslieThere are so many techniques in this book that I'm in awe. Fantastic book.

The latest in Victoria Lansford's internationally acclaimed instructional series provides clear and concise instructions for eight fused chain patterns, with endless variations. With more than 150 full-color process photographs, the easy to

follow instructions will have even the novice metalsmith weaving and creating ancient and modern design chains. Over 50 photographs of work incorporating all of the chains will further inspire you to advance your own creations. 4 Ancient Mediterranean chain patterns 1-Direction Single-Weave 1-Direction Double-Weave 2-Directional Double-Weave 3-Directional Single-Weave 4 Contemporary chain patterns, created by Victoria Lansford Undulating Mesh Vertebrate Side Weave Mesh Crossed Link Victoria's instructional series Metal Techniques of Bronze Age Masters, including Russian Filigree (DVD, 2006) and Rings (DVD, 2008) has sold throughout the world. The series is part of her continuing commitment to make the techniques of ancient artists accessible to modern metalsmiths.
