Sachiyo Ishii : Mini Knitted Toys: Over 30 cute easy knitting patterns before purchasing it in order to gage whether or not it would be worth my time, and all praised Mini Knitted Toys: Over 30 cute easy knitting patterns:

0 of 0 people found the following review helpful. MINI MINIBy Heather I. RogersIf you like MINI toys, lovely ideas.0 of 0 people found the following review helpful. Mini knitted toysBy Sharon ColemanOne of the best knitting books I ever brought. Have already made some of the animals in book. Would recommend this to anyone who enjoys knitting.S. Coleman0 of 0 people found the following review helpful. Satisfied with purchase.By MistoreeI've made several of these from well written instructions with good results. Although there are some I won't make, I'm satisfied with this purchase.

Let your imagination run wild with the latest title from innovative knitter, Sachiyo Ishii. This charming book contains over 30 fun, simple knitting patterns for a range of cute and cuddly toys. Create simple playthings such as animals, cars, trains, fairies and cupcakes, and then try your hand at larger toy sets, including a castle under siege, an alien invasion, a prehistoric play-scene and a fairytale cottage complete with magical characters! The book is suitable for

knitters of all skill levels, and all the patterns require only small amounts of readily available yarn. The book also contains a useful techniques section containing step-by-step instructions for the necessary techniques, including stuffing and sewing up figures, creating knitted eyes and i-cords, and all the embroidery stitches needed to create the facial features and details.

January 2016 This charming book contains clear, simple patterns that are easy and fun to knit, sew up and embroider using readily available tools and materials plus oddments of yarn. There are basic playthings such as animals, cars, trains and cupcakes as well as a prehistoric playscene, a castle under siege and a fairytale cottage with characters. * Machine Knitting Monthly * This delightful book creates a fun and charming range of toys, from simple bears, figures and playthings to larger castle scenes, prehistoric characters and fairytale settings. The book also contains a useful techniques section containing step by step instructions for the necessary techniques including stuffing and sewing up figures, creating knitted eyes and all the embroidery stitches needed to create facial features and details -- Hot Brands Cool Places Childhood is a time for letting your imagination run wild. But just because you're an adult, you should never stop your imagination running exactly where it wants to. These knitted toys come from the farthest and most fun readers of designer Sachiyo Ishii's mind. To make each toy, you just have to follow the pattern step-by-step like a yarn yellow brick road. All the info you need is here from sewing up your toy, to stuffing it, to creating eyes and faces and details. For Sachiyo creating a toy should be as much fun as playing with it once it's finished. * Knitting Crochet * With its wide variety of projects, this book is sure to please any knitter or toy enthusiast. Make everything from tiny teddy bears to fairy-tale creatures, finger puppets, and dinosaurs. The book begins with simple and easy projects and slowly progresses to the more complicated; the final project is a home for Snow White and the seven dwarfs. With full photo tutorials and instructions on everything from seaming to embroidery, this book is perfect for using up leftover yarn and having fun at the same time. * Knit Crochet Toys * About the Author Sachiyo Ishii was a money broker in Wall Street and London, but discovered the joy of handcraft after her second son was born, and was very much influenced by the Steiner education system. She has been involved in many different creative activities, and her Waldorf inspired dolls and knitted toys are well known and loved by many. Her work has appeared in knitting and parenting magazines. She lives and works freelance in West Sussex, England.
