I love quilting books and do many projects every year. This book is fabulous, and rekindled my excitement about quilting, especially the modern movement.0 of 0 people found the following review helpful. Five StarsBy Marcia Kephartgreat book1 of 1 people found the following review helpful. Nice book!By CloverChristmas gift for a family member who's a quilter. She loved it. Pictures diagrams are clear easy to read. The designs are super cute updated. She's already started on a project based off of one of the quilts. Highly recommended!

In this collection of baby quilt patterns, 13 talented quilting bloggers present appealing designs that are ideal for quilters of all skill levels. Choose from 14 small quilts that can be easily completed in time for a baby shower. Showcased in bright, bold solids and modern prints, they're perfect for stimulating baby's senses! --Sew It Today, June/July 2013 This diverse collection of 14 small quilt projects includes designs for all skill levels, from the beginner to the experienced quilter. Though this book omits basic quilting instructions in order to include more projects, the existing instructions and illustrations are clear and easy to follow. Several of the projects are quick enough to be last-minute baby gifts, and others could easily be adapted to make bed-sized quilts. The designs make the most of bright solids and bold fabrics, which are perfect for stimulating a young child's sensory development. Better yet, many of the designs are modern and sophisticated in a youthful way - making the resulting quilts potential keepsakes children can grow old with. --Modern Patchwork, Winter 2014 From the Inside Flap Discover 14 fast, fun baby-quilt patterns in this diverse collection from talented designers. Appeal to Baby's senses with a quilt that showcases bright, bold solids and modern fabrics.
