By CustomerI enjoyed this collection of ideas and projects for Christmas. Some are very simplistic and others are cute but you'd never probably try them, but overall this book gives you inspiration if not to make the projects mentioned, then to get your own creative juices flowing.

This gorgeous new book from the team behind Mollie Makes brings together ten designers and makers. We asked them very nicely and they have put their crafty heads together and come up with over fifteen exclusive Christmassy projects just for you. With inspirational ideas for handmade gifts, cards and decorations we've got Christmas all sewn up. Includes a variety of crafts, with full instructions for knitting, crochet, sewing and papercraft projects, as well as ideas on how to turn your junk-shop finds into festive wonders. Each project is accompanied by clear step-by-step instructions and beautiful photography, with hints and tips on personalizing your makes, ensuring that your Christmas is unique, just like you. Here's to a crafty Christmas!
