**From Fantagraphics Books : MOME Winter 2009** before purchasing it in order to gage whether or not it would be worth my time, and all praised MOME Winter 2009:

A literary anthology... with a twist. Since its inception in 2005, MOME has bridged the gap between the contemporary graphic novel scene and the current cutting-edge literary scene, serving as a perfect sampler of today's best young graphic novelists in a quarterly format that sits as handsomely on the newsstand alongside journals like McSweeney's and Paris Review as it does in the graphic novels section.

The array of new looks and styles make the indie realm look more vibrant than it has in a while. - The Onion A.V.  
ClubMOME has been a haven for readers seeking out new and exciting storytelling within the comics medium. - Chris

Beckett, The Pulse One of the most substantial MOME publications yet. - Anita Kinney, The Daily Vanguard The quarterly anthology serves as a good showcase of the sorts of things Fantagraphics do best, from art comics to disgusting gag strips. - Megatonik MOME has definitely shown itself to be the premier journal of innovative comic art currently being published. - Jeff Hall, Library Thing The current multi-artist series that has critics in the comics world and outside of it regularly amped.... The last few issues of MOME have really hit a hot-run of quality, and though some stories are more straightforward and others are expressionistic, all the art is always sweet. - Chris Estey, KEXP-FM, Seattle About the Author Gary Groth is the co-founder of The Comics Journal and Fantagraphics Books. He lives in Seattle. Eric Reynolds is the Associate Publisher of Fantagraphics Books and lives in Seattle, WA.
