Hewlett-Packard Company, Cyndy Lyle Rymer, Lynn Koolish : More Photo Fun: Exciting New Ideas for Printing on Fabric for Quilts Crafts before purchasing it in order to gage whether or not it would be worth my time, and all praised More Photo Fun: Exciting New Ideas for Printing on Fabric for Quilts Crafts:

0 of 1 people found the following review helpful. More Photo Fun By Laura C. Ary I bought this book because I have an HP Photosmart Printer like the one in the book and I wanted to learn how to print photos on fabric for a memory quilt. It's a great book and the quilt turned out very good. 59 of 62 people found the following review helpful. not as expected By HAPPY CRAFTER THIS BOOK IS AN ADVERTISEMENT FOR OTHER PROGRAMS. WANTED A BOOK THAT EXPLAINED HOW TO DO MANY PROJECTS. THIS SHOWS PICTURES OF COMPLETED PROJECTS BUT DOES NOT SHOW HOW .EXAPLE A PICTURE OF A KALEIDOSCOPE BUT HAS NO

EXPLANATION OF HOW DO DO IT.IN ORDER TO PRINT OUT MANY PROJECTS YOU NEED TO PURCHASE OTHER SOFTWARE.WANTED TO DO A MONTAGE BUT FOUND OUT AFTER I ORDERED BOOK YOU NEED TO PURCHASE ARC SOFT.10 of 16 people found the following review helpful. Can;t browse, won't buy.....By A. BurkeOnce again the 'search inside' feature is meaningless, because all the pictures are blanked out! They don't do this in bookstores - they can't. So buyers get to see what they are buying - and with any art or craft book, that is ALL that matters, isn't it? I would'nt consider buying such a book without being able to see the work inside first.And I learned that from experience.

Step-by-step recipes for creating interesting effects on fabric using your digital camera, scanner, printer, and/or computer.

About the AuthorAn amateur photographer before she was a quilter, Cyndy Rymer now spends as much time getting lost in Photoshop Elements as she does quilting. Cyndy was an editor at CT Publishing, but jumped the fence to write a novel (in progress) and work at a local quilt store. She loves teaching all the magical things that can be done with an inkjet printer, with or without a computer.
