Doreen Mastandrea, Joann Locktov : Mosaic Sourcebook before purchasing it in order to gage whether or not it would be worth my time, and all praised Mosaic Sourcebook:

4 of 4 people found the following review helpful. Excellent Mosaic Book By marci This is the absolute best mosaic book I have ever seen!! It is full of beautiful creative mosaics pictures that will get your creative juices going. Not only is it a great how to do book with lots of very cool projects, that come with great pictures and instructions, it also has a fabulous section of other mosaic artist's pieces that will blow you away. I am so glad I discovered this book. You won't go wrong if you buy this book. 4 of 4 people found the following review helpful. Stuffed with Stuff To Do By Rosita A. Artis This book "Mosaic Sourcebook" is stuffed with stuff to do! It has so many pictures of the end result of a project. I bought this for my daughter, her dad does tile work and thought he could teach her this art of mosaics and tiling. But once I started thumbing through it I thought she and I would do some projects. I always wanted to, and this is the book

to show you how from beginning to the end! Thankyou so much!1 of 1 people found the following review helpful. like me, you need a mental boost to help ...By Judy HuddlestonThere are some interesting projects in this book. It may help you get started on a mosaic project if, like me, you need a mental boost to help you start the mental creative process.

The Mosaic Sourcebook will delight and instruct mosaic enthusiasts. This beautiful volume features the distinctive and wide-ranging works of 42 top international artists such as Erin Adams, Lucio Orsoni, Beryl Solla, and Laura Bradley. Featured creations are both functional and purely decorative-from glass to marble, teapots to subway murals. The book includes 17 exciting new projects and covers a range of indoor and outdoor uses for mosaics-mirrors, floor tiles, patio tables, and birdbaths. Comprising 250 gorgeous art photos and practical step-by-step instructions, The Mosaic Sourcebook offers inspiration and a complete reference for everything from complete tool and material lists, set-up guidelines, color palette suggestions, the best ways to break up old dishes, how to cut tiles, and design patterns.
