**Bruno Rodi, Lea Ciambelli, Catherine Massey : Mosaics Piece by Piece** before purchasing it in order to gage whether or not it would be worth my time, and all praised Mosaics Piece by Piece:

1 of 1 people found the following review helpful. Inspirational! By Barbara JA As a newcomer to mosaics, I was looking for something basic, with a lot of inspiration. This book delivers! Descriptions of tools, materials and other supplies is very clear and complete. The projects are laid out step-by-step and clearly described. 5 of 5 people found the following review helpful. Inspiring and fun! By adietsch I was looking for books that will help start several projects for my patio and this is it! Great ideas and easy to follow instructions! Just love it! 4 of 4 people found the following review helpful. Fun with Pieces By Linda A. Devaney This book was fun to explore and did a nice job of providing information for novice and more advanced mosaicists. The projects provided inspiration for me and I believe they would be helpful to other mosaic artists.

Divided into two sections: the workshop and the projects, this book covers all the tools, materials and techniques you need to create stunning mosaics and provides over 100 inspirational projects for you to create. Over 30 projects are featured in the workshop enabling you to put your newly learnt techniques into practice straight away. Handy tips and tricks throughout help to refresh your memory on key points covered in the book. Over 70 projects, both large and small, feature in the project section allowing you to combine everything learnt in the workshop section effectively. Clear and simple step-by-step photography and text ensures everyone achieves a beautiful result. This book is perfect for crafters of all ability since projects are rated according to the degree of difficulty and there is a comprehensive motif section.

About the Author Bruno Rodi, Lea Ciambelli and Catherine Massey are all internationally known mosaic artists who between them have 30 years of knowledge and experience of the craft.
