Author Kay Velarde 's background growing up in the mountains and as a quilter gives the book a depth beyond the typical cozy mystery. Even those of us who can't pick up

a needle without sticking a finger will learn to appreciate and enjoy the craft--of quilting and of detective work! An intelligent mystery with good insight into the characters' minds. A five-star read in the genre.0 of 0 people found the following review helpful. Wonderful read with quirky characters and a well-defined plotBy EricRyan365Wonderful read with quirky characters that you hate to let go of at the end of the book. The author does a marvelous job of making the characters seem so real, you hate to say good-bye. When you mix the characters with light humor and a well-defined plot; you definitely have a winner. An important aspect of any mystery is the plot and this one keeps you guessing until the very end. There is so much to love about this book. Perfect gift for a quilter who enjoys a cozy read. I plan to purchase another copy for my mother. (As I don't lend out my favorite books.) I will definitely be looking for more books by this author.0 of 0 people found the following review helpful. Book 2, is as good as the first. Keeps you guessingBy Deborah WilsonSecond book is as good as the first. Kay Velarde keeps your interest. Hope book number 3, if there is one is released soon.

Peace becomes elusive on the Sewanee Mountains in this first installment of Kay Velarde s thrilling Sewanee Mountain Quilt Mysteries series. Stella Hill knows her mother Cele is many things, but a criminal isn't one of them. However, with the untimely death of Tom Billings, that belief is difficult to prove. Now Stella must not only save her mother's quilt business, but her life. Taking over Cele's quilt camp is harder than it looks for novice quilter Stella, leaving her to wonder what is more challenging: tracking down the true culprit or staying ahead of her mom's savvy students?

About the AuthorKay Velarde was born and grew up in the heart of the Appalachian Mountains in Southwestern Virginia. After graduating from a branch campus of the University of Virginia, she left home for the lure of travel as a career serviceman in the Air Force. Kay loves to piece by hand and regularly practices her hand quilting. Retirement has offered time to pursue a second career in writing. Kay is proud to be an American Quilter's Society fiction author.
