Debra Hartley : My Sticker Album before purchasing it in order to gage whether or not it would be worth my time, and all praised My Sticker Album:

I bought My Sticker Album for Girls, My Sticker Album for Girls 2nd Edition and My Sticker Album for Boys 2nd Edition. As described these are themed pages. These particular albums are NOT for reusable stickers, if that is what you want there are many books out there. Taking a sticker off any paper is going to damage both the sticker and the paper. Also the pages are not card stock, I don't know why they have to be. The stickers stick fine and the pages are thick enough to hold them. The girls 2nd edition has more pages than the 1st edition. My kids love them.Girls 1st Edition11 two page spreadsBug OutBeach FunAnything GoesUnder the SeaDown on the FarmCenter StageSpring SummerFallWinterIt's a Jungle Out ThereSports of all SortsGirls 2nd Edition17 two page spread, 2 single pageAnything GoesBug OutSpace ExplorationThe Great OutdoorsSurf's UpDown on the FarmWelcome to the ZooCenter StageRock StarWacky

themed pages with lots of room for small to medium stickers. The downfall is the pages are paper making it a
permanent sticker album leaving the stickers unusable for later. If you are looking for a permanent collection this is a
great book but for those looking to trade or move stickers around I do not suggest this product. I suggest carefully
reading the description as I was looking for a trading sticker book which this is not.

My Sticker Album is a perfect place to put all your stickers. It's an 8 x 10 book with 24 illustrated pages created to
permanently display your favorite stickers. Have fun choosing the best spot for your stickers. Great for ages 3-9 years
old. Visit www.raemac creations.com
