Stella Nadene : My Super Kindergarten Year before purchasing it in order to gage whether or not it would be worth my time, and all praised My Super Kindergarten Year:

MY KINDERGARTEN BOOK is a memory book designed to help you keep photos, work, and memories of your little one in their kindergarten year. It includes places for photos through the year, all information of your child and your child's school, and space to attach work or photos of work throughout his or her kindergarten year.
