4 of 4 people found the following review helpful. A nice pattern collectionBy Bernie (xyzyz)This is a 69 page pamphlet packed with patterns; most of them are in color. The book gives different suggestions on how to combine them and use them. Some patterns are just alphabet letters. There does not seem to be a scheme to the patterns. They include: Santa, angel, three wise men, candy cane, snow man, fish, owl, butterfly, frog, happy face, mouse, dragon, monkeys, giraffe, eagle, whale, king, queen, jack, air plane, boat, Colonel Sanders, turtle, chess pieces, chess board, deer, turkey, apple, pine apple, cherry, and abstract designs, to name a few. This is a good collection to encourage you to do your own designs.
